

CALINI

ROSSO

Winemaking

In early September, choice Brachetto and Malvasia grapes are harvested and selected by hand. After dripping and refrigeration of the must, it is preserved in cooled steel tanks. It is then partially re-fermented at low temperatures.

Tasting Notes

The wine has a brilliant red color. The scent is immediate, and suggests roses and sweet red fruit. The flavor is semi-sweet and very easy to drink.

Overall Impression

Easy drinking, ideal for parties and conversation.
Great for the deck or dessert.

Food Pairing

A great wine for all types of fresh fruits, cheeses, spicy foods and desserts.
